

School- Wide Positive Behaviour Support

What is it? School-Wide Positive Behaviour Support is a framework for promoting and explicitly teaching appropriate and positive behaviours. Teaching, modelling and reinforcing positive social behaviour is an important part of a student's educational experience. Teaching behavioural expectations and acknowledging students for meeting them is a much more positive approach than waiting for misbehaviour to occur before responding.

Key Components

- School rules
- A matrix of positively stated expectations
- Explicit teaching of expectations
- Incentives/ rewards for meeting behavioural expectations at classroom and whole school level

Dandenong Valley SDS School Rules
